EzAim X-ray Positioning System

Pac-Dent

The EzAim™ X-Ray Positioning System features disposable, self-adhesive sensor holders with peel-and-stick adhesive technology that firmly secures digital sensors to holders. The holders are color-coded for easy identification and fits all types of sensors on the market. EzAim™ holders can be used with existing aiming rings and positioning arms. Tabs can be managed with hemostats. Available with matching positioning arm and aiming rings.

ITEM #	DESCRIPTION	COMAPARED TO	QUANTITY
